Summer Figure Skating Academy

Intensive Training Program

Melbourne will be the place to train this January with a specially designed training program catered to the competitive skater.

- o Figures
- o Moves in the Field
- o Power Skating
- o Jump and Spin
- o Ice Dance
- o Theatre on Ice
- o OFF-Ice Conditioning
- o OFF-Ice Dance

Options to train for one to four weeks

January 3 – January 28

Gold, Silver, Bronze, Pewter and Drop-In packages are available, and include practice ice time as well as classes.

Call (03) 8631 3997
For bookings and program information

"Jackson Boots have taken me to an Olympic Games, 2 World Championships & to 4 Four Continents. I wouldn't trust my performance to any other boot. Jacksons provide a perfect fit, with the strength an elite skater needs, but they also enable a quick mould to your foot to minimise that 'new boot' disruption to training. Jacksons have been and continue to be my choice for boots." Jo Carter

Whether you are a novice skater or International competitor, Jackson have a boot just right for you!

Welcome to Melbourne and to the Medibank Icehouse for the Power Balance 2010 Australian Figure Skating Championships. I am very pleased to see the National Championships return to Victoria and feel very privileged to be able to host the event in such a wonderful new venue.

On behalf of Ice Skating Australia (ISA) I would like to extend a warm welcome to all our championship officials and a special welcome to International Skating Union (ISU) guests Rita Zonnekyn and Susan Lynch who will conduct an ISU Judge's Seminar in conjunction with the Championships. I would like to acknowledge the support of the ISU and the Australian Olympic Committee (AOC) for this important development seminar which will be attended by over 50 officials.

This is the first major Figure Skating event to be held at the Icehouse and with a new venue and a new format, using both ice surfaces, it has involved a huge amount of planning and preparation. We have been breaking new ground on many levels and at times this has been quite challenging.

The Organizing Committee has stepped up to these challenges and delivery of this Championship has been a truly co-operative effort between Ice Skating Australia, Ice Skating Victoria and the Icehouse Management Team. I would personally like to thank everyone involved for their willingness to work together and all their efforts over the past months. I would also like to thank the many volunteers who have put up their hands to assist over the next 9 days.

I hope that everyone enjoys their nationals experience. It is a chance to make new friends, re-establish old acquaintances and explore the great surrounds of Melbourne and the Docklands precinct.

I wish all skaters the best of luck and look forward to some great performances.

Cathy Taylor

President, Ice Skating Australia

On behalf of Ice Skating Victoria it gives me great pleasure to welcome competitors, judges, coaches, officials, parents and supporters to the Power Balance 2010 Australian Figure Skating Championships.

Victoria last hosted the National Championships in 1998. It is wonderful to be able to host the championships once again in Melbourne, Victoria.

These championships would not be possible without the hard work, commitment and passion of our volunteers. I would like to thank all of these people for all their time and effort to ensure these championships are a success. I would also like to thank the Medibank Icehouse Management Team for their assistance throughout the organising of these championships.

On behalf of Ice Skating Victoria I wish all the skaters and their coaches a successful competition.

Tricia Moritz

The Victorian Government is proud to welcome back the Australian Figure Skating Championships to Melbourne

It has been 12 years since the Championships were last held in Melbourne, and this time our new \$58 million home of ice sports, the Medibank Icehouse will host this prestigious event.

Over 500 elite skaters are expected to grace their way through the eight day program and set the ice alight as they vie for gold.

Figure skating fans can look forward to cheering some of Australia's best and brightest stars, including Vancouver Olympic hero Cheltzie Lee, in the seated comfort of Melbourne's new world-class ice sports and entertainment venue.

The new Medibank Icehouse will hopefully help Melbourne develop a reputation in the Southern Hemisphere as the place to stage major international ice events.

We're already well on our way with the venue recently hosting the 2010 Australian Short Track Speed Skating Championship and set to host the World Division 2 Ice Hockey Championship in April 2011.

Hopefully the Icehouse will inspire all Championship skaters to a whole new level.

Congratulations to Ice Skating Australia and Ice Skating Victoria for their efforts to bring the Nationals to Melbourne and for staging such a fantastic event.

We wish all competitors every success in the 2010 Australian Figure Skating Championships and hope you have a memorable time in our sporting capital Melbourne.

Dr Peter Hertan

Deputy Secretary
Sport & Recreation
Victoria

The Olympic Winter Institute of Australia extends a warm welcome to all participants, supporters and fans of figure skating. We are very pleased to have the 2010 Australian Figure Skating Championships here at the National Ice Sports Centre – Medibank Icehouse.

The 2010 Olympic Winter Games saw the most successful result for Australia at a Winter Games, with two gold medals, one silver medal and nine athletes recording top ten performances. Figure Skater, Cheltzie Lee was one of the inspiring young athletes at the Games and we hope that other skaters will strive to follow her example.

As we enter the next Olympic Quadrennial aiming towards Sochi in 2014, the Olympic Winter Institute looks forward to working with Ice Skating Australia and the other National Ice Sports Federations to best support their elite athletes on their pathway to the next Winter Games.

We congratulate all athletes on their participation at the 2010 Australian Figure Skating Championships and hope you have a great experience here in Melbourne.

Geoff Henke, AO

Chairman,
Olympic Winter
Institute of Australia

The development of the icehouse has been a very long journey starting with Geoff Henke's vision for a world class ice sports centre in Melbourne's CBD 20 years ago to the great venue we have today.

Myself and my team have had the great privilege of launching and running the Icehouse. To ensure success our mission is to develop a vibrant ice skating culture. Since opening, visitation and usage has exceeded all forecasts.

Another key ingredient in developing a vibrant ice skating culture is to form solid partnerships with the ice sports associations and we are proud of our great working relationship with Ice Skating Australia and Ice Skating Victoria and we are thrilled to be hosting the 2010 National Figure Skating Championships. Championships are another key ingredient in driving our mission as great skaters inspire many others.

The Icehouse welcomes all competitors, coaches, officials and supporters to the 2010 Championships and we will do everything we can to make your championship memorable.

Good luck and enjoy.

Mammoth Lakes
California's Premier Mountain Resort

LAKE TAHOE
VISITORS AUTHORITY
TAHOESOUTH.COM

WIN
a FAMILY SKI HOLIDAY IN
California
valued at over \$6,000

Prize includes 5 nights accommodation,
lift passes and ski equipment for four people*

Sun, surf, sand and...snow? Many people think California is all a scene from a Beach Boys song but with 30 ski resorts in the state there is plenty to keep ski-bunnies happy.

Skiing or snowboarding bliss can be found just hours from the gateway cities of Los Angeles and San Francisco. Lake Tahoe is situated on the California-Nevada border just four hours drive from San Francisco and Mammoth is five hours drive from Los Angeles and Las Vegas.

Lake Tahoe and Mammoth receive over 10 metres of snowfall annually, and with up to 300 sunny days a year there are plenty of 'bluebird' days to carve up the diverse terrain and enjoy the world-class facilities of resorts like Heavenly, Squaw Valley, Northstar and Mammoth Mountain.

HOW TO ENTER:

For your chance to experience California's Winter Wonderland buy your tickets during the 2010 Australian Figure Skating Championships until December 2, 2010 or from your club. Tickets are \$2 each and three for \$5. Entries close 5pm December 20, 2010. Draw December 21, 2010.

Ice Skating Queensland Inc.

Good Luck!

Ice Skating Queensland wishes all of the 2010 QLD State Team the very best of luck in Melbourne at the Australian Figure Skating Championships. Represent Queensland with great pride. Go for it and achieve a PB!

State Team Camp for singles, dance and pairs at Runaway Bay.

"Let's go and skate our personal bests and bring back some great results,"
- Singles Team Captains Matthew Dodds and Rebecca Seymour

Gold medal - World Championship Torino 2010
Silver medal - Olympic Games Vancouver 2010

Tibi Straub

The skating community celebrates the life of Tibi Straub. An active competitive adult figure skater, and former president of the Macquarie Ice Skating Club, Tibi was generous with his time for the good of the sport and other skaters.

Tibi competed most recently this year in ISU adult event in Oberstdorf, placing third in the compulsory dance and second in the free dance.

Fun, playful spirit and a good sport.

Born 16 September 1945
Passed away 5 November 2010.

Survived by his wife and ice dance partner Sharon Straub, the skating community salutes our wonderful friend.

The Morgan Innes Foundation was established to support youth with a passion to excel in the sport of figure skating, by providing opportunities, support and financial assistance.

FOUNDATION OBJECTIVES:

- To provide training scholarships on an annual basis for up and coming figure skaters to undertake comprehensive training programs with elite coaches overseas.
- To assist disadvantaged youth who meet the selection criteria established by the sport's governing body, Ice Skating Australia (ISA) and who have not had the chance to experience the joy of ice skating.
